

## Intramural Sports Program

The after school Intramural Program is an integral part in success of our physical education program at El Shabazz Academy. Through this program, students are given the opportunity to have fun and participate in the sports they enjoy.

In order for the success to continue, we need your help. We have instituted the following rules to continue down the path of success with our program.

1. Pick up time is clearly noted as 4:30pm. If you are unable to meet this pick up time, please have alternate arrangements made in advance. If a student is picked up later than 4:40pm, a warning will be issued. A second late pick up will result in a \$5.00 penalty after 4:40pm.
2. The Intramural program is an extension of the school day. Therefore, all school policies remain in effect.
3. Please feel free to provide your child with a small healthy snack (no candy please). Water is available. A change of clothes is preferable if needed.
4. After-school activities take place every Tuesday, Wednesday and Thursday from 3:30pm—4:30pm; **bus transportation is not provided.**
5. A participation fee is expected in some of the activities (the fee will go towards, uniforms, certificates, trophies and equipment).
6. The Intramural program will honor the school calendar.
